Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Tuesday 30 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy tonight. Turning colder with wintry showers tomorrow.

This Evening and Tonight:
Cloudy with outbreaks of rain and drizzle, turning heavier from the west as winds strengthen. Rain, turning more showery later, with some wintry showers in the far north. Gales affecting some coastal districts.

Wednesday:
Showers, some heavy, and turning wintry in the north and later further south over high ground. Sunny spells between the showers, best over central and southern Scotland. Colder and windy.

Outlook for Thursday to Saturday:
Showers ease through Thursday with plenty of sunshine. Winds strengthening with outbreaks of rain spreading from west later, temporarily turning to snow in the north, clearing Friday. Blustery showers Saturday.
